

**CALL for IAG GRANTS**  
**7° Congreso Argentino de Cuaternario y Geomorfología**  
**“Geocuar 2018”**

Puerto Madryn, Chubut, Argentina, 18-21 September 2018.

The International Association of Geomorphologists offers **2 grants of 500 euros** to favour the participation of **Young Geomorphologists** (under 35 years old) **from Latin America but not mainly based in Argentina** in the *7° Congreso Argentino de Cuaternario y Geomorfología, “Geocuar 2018”* organized by Argentine Association of Geomorphology and Quaternary Studies (AACG).

The Congress aims at gathering participants from Argentina and from different parts of the world to discuss and share the most recent advances in the broad field of Geomorphology and Quaternary Sciences. The three day-long event offers a plenary session and two mega-poster sessions, one mid-day field trip and three short courses. In addition, a post-meeting field trip will be organized in the Peninsula Valdés region, a World Heritage Site.

The organization of the event includes initiatives specifically dedicated to Young Geomorphologists and in particular three short courses are available to attend: *Bio-mineralization and environmental studies, Malacology in Quaternary marine environments, Radiocarbon analysis: methods and solutions to solve geological problems.*

For further information on the Congress, please visit:
